# WELCOME!

Excaliber  
AMMUNITION

**W**elcome to the **2025 Excaliber Ammunition Buckeye Blast Championship presented by D2 Custom Guns**, hosted by Cardinal Shooting Center. We are very excited that so many outstanding competitors will be joining this long-standing state championship match! We would like to thank the more than 60 volunteers who have taken time from their busy schedules to help support the match and provide you a safe and fun environment to compete, please be sure to thank them also. Next, we have an amazing group of sponsors who have provided support to make this the best match possible. When you are looking for new or replacement equipment, please be sure to start your search with sponsors you will find in this matchbook. They support us so we should support them.

We would like to specifically recognize and thank our Range Masters, Khory Katz and Dan Click, who always provide guidance and suggestions as we look to provide safe yet challenging stages for your enjoyment. They will be on the range throughout the match and are available to assist you.

*Thank you again for competing in the Excaliber Ammunition Buckeye Blast, be safe and have fun!*

**Brad Krumme, L5258**  
Match Director

## WELCOME

### OHIO NORTH SECTION

We hope you enjoy a challenging and fun match this weekend. Please take a moment to thank the sponsors, Range Officers, set-up crews and other volunteers when you are on the range; it is because of their time, efforts, and support that we are afforded the opportunity to have the Buckeye Blast each year. Special thanks to Cardinal Shooting Center for their involvement in the practical shooting sports. This year alone they are hosting 5 major USPSA events in 2 national matches, the state championship for USPSA, the state championship for Steel Challenge, the Area 5 Championship and major matches in several other disciplines...that is a huge commitment to the shooting sports we all enjoy! We know that shooters have a lot of choices where they can compete each season. Thanks for choosing the Buckeye Blast in 2025. It is wonderful to see this event continue to thrive! Be Safe.

**Dan Click, L3670**  
OH North Section Coordinator

### OHIO SOUTH SECTION

From the Ohio South Section, WELCOME to the Buckeye Blast! I'm excited to see everyone test their skills on the 12 stages contributed by clubs and individuals from both sections in Ohio. I also want to extend a huge THANK YOU to everyone who continues to make the Buckeye Blast a success year after year. We couldn't continue to provide a great state championship without the awesome volunteers who help us staff the match, our sponsors, our vendors, and each and every competitor who puts the Buckeye Blast on their calendar. A special thanks again to Dan Click, Khory Katz, and Cardinal Shooting Center for hosting the Blast for a third year. 2023 and 2024 were great and I'm confident that 2025 will be also.

**Phil Sinewe, FY58281**  
OH South Section Coordinator

# Dan Click, CPA, CFE

For President / At-Large Director

### Vision for the Future

Transparency / accountability by design  
Increase value to members and clubs  
Improve revenue generation  
Membership Code of Conduct

All decisions will be made using a 3-prong test considering what is best for:

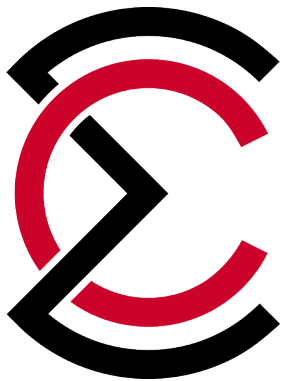

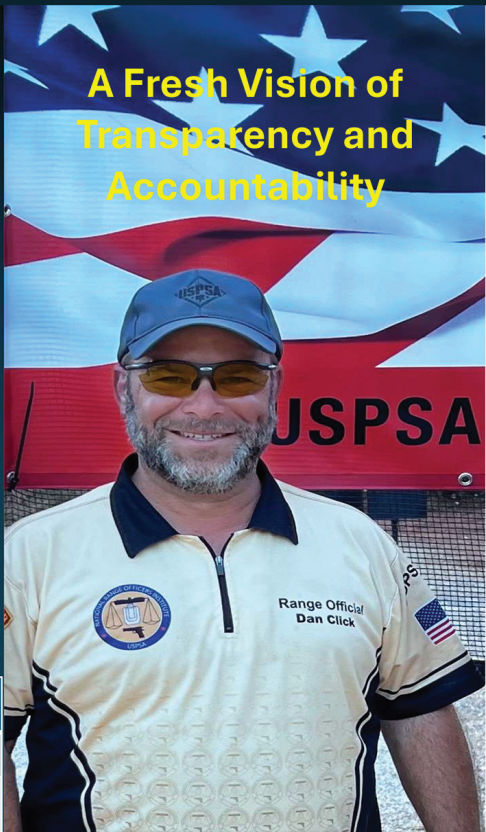

- Members
- Clubs
- USPSA

### Experience (Nationals, Level II and III, Local)

Former Area 5 Director  
Life Member  
Match Director  
Assistant Match Director  
Range Master  
Chief Range Officer  
Stage Designer  
Contract Negotiations  
Certified Public Accountant  
Certified Fraud Examiner

### What I Stand For

Financial Responsibility	Membership Growth & Retention	Integrity & Ethics
Strategic Planning	Commitment & Engagement	Risk Management & Compliance
Advocacy & Representation		Governance & Policy

# MATCH BRIEFING

---

**These policies are just as important as the rules. You are expected to read and understand all the contents of this match publication.**

---

**COLD RANGE:** The Cardinal Shooting Center is a cold range. Firearms will not be handled anywhere on the range except in designated safety areas or under the direct supervision of match staff. Handling firearms in parking areas is unsafe gun handling.

**SAFETY AREAS:** The range is equipped with a number of safety areas to bag and holster guns, for dry fire practice and gun repair, etc. No ammunition may be handled in any safety area.

**PARKING AREA:** Competitor parking area is designated on the map.

**RULES:** The match rules are found in the current edition of the USPSA Competition Rules.

**OBEY YOUR RO'S:** Range officers are here to assist you in completing a safe shooting contest. Please comply with their requests. Please bring any issues to the attention of one of the Range Masters.

**SET STEEL AND TAPE TARGETS:** Competitors are expected to tape targets or reset steel.

**LOST BRASS:** All brass is donated to the staff.

**ALCOHOL:** Alcohol and recreational drugs may not be consumed anywhere on the range. Competitors violating this policy will be disqualified and asked to leave the range.

**DRESSCODE:** Practical shooting is a sport. The match director will be the final arbiter of dubious taste.

**SCHEDULING:** No competitor will compete for score on other than the scheduled dates (6.5.1). Occasionally, stages will clear squads early. If your entire squad is available and the CRO approves, the squad will be allowed to shoot ahead of schedule, but only on the scheduled date.

**INSPECTION:** When the entire squad is assembled, the written stage briefing will be read. This will be followed by an inspection and question period. Shooters may negotiate obstacles only during this inspection period or while the previous shooter's targets are being scored. Early inspection is permitted by the squad next scheduled to shoot a stage, providing that the previous squad is finished, you report to the range officer prior to inspection, and time permits.

**RANGE OPENING:** The range is closed to all competitors prior to the scheduled start time of the staff match May 2nd at 12:00pm. The range will close each day at 6:30pm or 30 minutes after last shots fired, whichever is later. Competitors may inspect the stages when they are available, but may not activate, set, or reset any moving targets or activated props. Competitors are not allowed to inspect the stages until the range has been opened.

**HAZARD AREAS:** Orange cones and/or safety flagging may be used to restrict certain areas of the range. For safety reasons, competitors and spectators are prohibited from going past these markers without permission.

**EYE AND HEARING PROTECTION:** All competitors must wear eye and hearing protection during the course of fire. Eye protection is required to be worn by everyone while on the range. If you do not have adequate eye protection, please see the range master.

**CHRONOGRAPH:** Competitors will report to the chronograph at the scheduled time for their squads (see squad schedule). If you fail to report to the chronograph for the scheduled test or after a random sampling, your scores will be removed from the match (App. C2, 42).  
- At the chronograph station, do not handle your gun until instructed by the CRO.  
- Certified Match Ammunition (App C3) must be declared at registration, the Certified Ammunition Declaration completed and turned in with your eight sample rounds. Competitors declaring Certified Match Ammunition will still follow the Chronograph procedures (App. C2)

**MATCH SCORING:** This match will use Practiscore. If you have scoring questions, first check your math, then take your score card copy to Stats to remedy the problem.

**PHOTOGRAPHY AND VIDEOGRAPHY:** For the safety of all competitors, spectators and staff members, we ask that all videography and photography be done from behind the rear-most fault line.

**RED HILL TACTICAL**

**SOUTHERN**  
*Bobby-Q*

**SUPPORTING SHOOTING SPORTS SINCE 2014**

# RANGE FACILITIES

**REST ROOMS:** Portable toilets are located conveniently around the range.

**FOOD SERVICE:** Lunch will be available for purchase. Water will be provided on the bays.

**CLOSED RANGE:** If the range is marked closed, and a barrier is across the range road, no competitors may enter the range for any reason. We will have access to the bathrooms, registration, and ammo pickup available and clearly marked. Any competitor on a closed range will be required to leave and may be subject to disqualification. Please obey the signs.

**PARKING:** Parking areas will be clearly marked on the range map. Competitors may only park in the competitor areas. Lock your car and take your valuables.

**PERSONAL VEHICLES:** Unless you have permission from the Match Director or Range Master, you may not take any Privately Owned Vehicles onto the range except a golf cart or similar. If you have a physical disability please contact the MD/RM. Carts and wagons are allowed. If you are allowed a POV on the range, you must drive slowly

and cautiously, and may not park anywhere but on the side of the range road, leaving clearance for staff vehicles at all times. Parking under the covers is not allowed. Failure to comply will result in vehicle privileges being revoked.

**GUN HANDLING IN THE PARKING AREA IS PROHIBITED. (10.5.19 STILL APPLIES)**

**SPECTATORS:** Everyone must wear eye protection while on the range and hearing protection is strongly suggested. Climbing on berms is not allowed. Children must be under the direct supervision of a parent. If you need eye protection, please see a range master.

**EXHIBITS/DEMO AREA:** Many of the Buckeye Blast sponsors will have booths on display in our vendor area. Please acknowledge and thank them for their generous support of this match and our sport. NOTE: The vendor area is deemed outside of the match area per the MD.

**PRIZE TABLE/TROPHIES:** Prizes will be sent to those awarded based on Appendix A2 of the current USPSA Handgun Competition Rules following the match.
